

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 21, 1995

SUBJECT: **HB 266 - SB 588**

This bill, if enacted, will allow local governments to establish special enforcement units to enforce illegal use of handicapped parking spaces or placards.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures to the extent local governments establish special enforcement units and provide uniforms, insurance premiums, salaries and motorized wheel chairs. A reasonable estimate of the increase cannot be determined but is estimated to exceed \$100,000 if several local governments create such enforcement units.

Enactment of this bill is also estimated to result in an increase in first year local government revenues from additional fines generated by the special enforcement units. A reasonable estimate of the increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
